

Program : ISM KEJURUTERAAN (KEPUJIAN) AWAM  
PENAWARAN KURSUS UNTUK SEMESTER APRIL 2019

| Intake : 11934 (April 2019) |                            |
|-----------------------------|----------------------------|
| Kod Kursus                  | Nama Kursus                |
| KCS1102                     | Civil Engineering Drafting |
| KCS1113                     | Statics & Dynamics         |
| KCS1142                     | Engineering Geology        |

| Intake : 31834 (September 2018) |                            |
|---------------------------------|----------------------------|
| Kod Kursus                      | Nama Kursus                |
| KCS1102                         | Civil Engineering Drafting |
| KCS1113                         | Statics & Dynamics         |
| KCS2123                         | Fluid Mechanics            |
| KCS1213                         | Strength of Materials      |
| KCS1142                         | Engineering Geology        |

| Intake : 21834 (Jun 2018) |                            |
|---------------------------|----------------------------|
| Kod Kursus                | Nama Kursus                |
| KCS2123                   | Fluid Mechanics            |
| KCS1213                   | Strength of Materials      |
| KCS2142                   | Soil Mechanics             |
| KCS1142                   | Engineering Geology        |
| KCS2263                   | Civil Engineering Material |
| KCS2101                   | Laboratory 1               |

| Intake : 11834 (Februari 2018) |                            |
|--------------------------------|----------------------------|
| Kod Kursus                     | Nama Kursus                |
| KCS1213                        | Strength of Materials      |
| KCS2113                        | Theory of Structure        |
| KCS2142                        | Soil Mechanics             |
| KCS2263                        | Civil Engineering Material |
| KCS2243                        | Geotechnical Engineering 1 |
| KCS2223                        | Hydraulics                 |
| KCS3163                        | Concrete                   |

| Intake : 41734 (September 2017) |                              |
|---------------------------------|------------------------------|
| Kod Kursus                      | Nama Kursus                  |
| KCS1213                         | Strength of Materials        |
| KCS2113                         | Theory of Structure          |
| KCS2243                         | Geotechnical Engineering 1   |
| KCS2292                         | Reinforce Concrete Design 1  |
| KCS2223                         | Hydraulics                   |
| KCS3163                         | Concrete Technology          |
| KCS3233                         | Reinforced Concrete Design 2 |

| Intake : 31734 (Julai 2017) |             |
|-----------------------------|-------------|
| Kod Kursus                  | Nama Kursus |
|                             |             |
|                             |             |
|                             |             |
|                             |             |
|                             |             |

| Intake : 11734 (Januari 2017) |                                  |
|-------------------------------|----------------------------------|
| Kod Kursus                    | Nama Kursus                      |
| KCS2292                       | Reinforce Concrete Design 1      |
| KCS2223                       | Hydraulics                       |
| KCS3163                       | Concrete Technology              |
| KCS3233                       | Traffic Engineering              |
| KCS3233                       | Reinforced Concrete Design 2     |
| KCS3183                       | Water and Wastewater Engineering |
| KCS3123                       | Hydrology                        |
| KCS2201                       | Laboratory 2                     |

| Intake : 51634 (Oktober 2016) |                                  |
|-------------------------------|----------------------------------|
| Kod Kursus                    | Nama Kursus                      |
| KCS3233                       | Traffic Engineering              |
| KCS3233                       | Reinforced Concrete Design 2     |
| KCS3183                       | Water and Wastewater Engineering |
| KCS3123                       | Hydrology                        |
| KCS2201                       | Laboratory 2                     |

| Intake : 41634 |                                  |
|----------------|----------------------------------|
| Kod Kursus     | Nama Kursus                      |
| KCS3183        | Water and Wastewater Engineering |
| KCS3123        | Hydrology                        |
| KCS4172        | Mechanical and Electrical System |
| KCS3101        | Laboratory 3                     |

| Intake : 31634 |                                  |
|----------------|----------------------------------|
| Kod Kursus     | Nama Kursus                      |
| KCS3183        | Water and Wastewater Engineering |
| KCS4172        | Mechanical and Electrical System |
| KCS3101        | Laboratory 3                     |

| Intake : 11634 |                                  |
|----------------|----------------------------------|
| Kod Kursus     | Nama Kursus                      |
| KCS3293        | Steel and Timber Design          |
| KCS4293        | Civil Works Projects             |
| KCS4172        | Mechanical and Electrical System |
| KCS3101        | Laboratory 3                     |

| Intake : 51534 |                                      |
|----------------|--------------------------------------|
| Kod Kursus     | Nama Kursus                          |
| KCS3293        | Steel and Timber Design              |
| KCS4293        | Civil Works Projects                 |
| KCS4273        | Construction Management and Planning |
| KCS3201        | Laboratory 4                         |

| Intake : 41534 |                                      |
|----------------|--------------------------------------|
| Kod Kursus     | Nama Kursus                          |
| KCS3293        | Steel and Timber Design              |
| KCS4293        | Civil Works Projects                 |
| KCS4273        | Construction Management and Planning |
| KCS4292        | Design Project                       |

| Intake : 31534 |                        |
|----------------|------------------------|
| Kod Kursus     | Nama Kursus            |
| KCS4292        | Design Project         |
| KCS4263        | Composite Material     |
| KCS4283        | Solid Waste Management |
| KCS3201        | Laboratory 4           |

| Intake : 11534 |                                      |
|----------------|--------------------------------------|
| Kod Kursus     | Nama Kursus                          |
| KCS4273        | Construction Management and Planning |
| KCS4292        | Design Project                       |
| KCS4263        | Composite Material                   |
| KCS4283        | Solid Waste Management               |
| KCS3201        | Laboratory 4                         |

| Intake : 51434 |                        |
|----------------|------------------------|
